

Minnesota Middle School Math League

What Is Math League? - It is about having fun with other math students! It is open to grades 6-8.

The purpose of Math League is to encourage students to participate in math contests, enable students to meet mathletes from other schools, and to provide recognition for students excelling in mathematics. It also serves as preparation for the annual Math Counts competition. The meet topics are based on the Math Counts topics.

Who can participate? Any Hastings Middle School Student in grades 6,7 or 8 that loves math, regardless of their skills.

Practices will be held most Mondays, afterschool, from 2:45 - 4:00 on the following dates:

(Room 144) October 5 & 19
